In addition, representatives from the Department of Marine Resources, the Department of Conservation, Bureau of Parks and Lands and any other departments determined necessary as well as municipal representatives from the Town of Scarborough and the City of Biddeford should be invited to participate. If a group is convened, it is authorized to submit a report to the joint standing committee of the Legislature having jurisdiction over state and local government matters no later than January 15, 2009, and the joint standing committee of the Legislature having jurisdiction over state and local government matters is authorized to submit legislation to the First Regular Session of the 124th Legislature.
